### **Department of Multidisciplinary Engineering**

**Date:** 6<sup>th</sup> February 2024

**Time:** 10:00 AM to 12:00 AM

**Venue:** Sharad Arena

**No. of students :** 150

**Topic:** Careers in Semiconductors

The guest lecture was organized by Department of Multidisciplinary Engineering ,E&TC and Instrumentation. The talk was delivered by Mr. Milind Jape, on "Careers in Semiconductors." Mr. Milind Jape is Founder Director of SemINd Training and Consulting, and Senior Consultant at MCCIA Semiconductor Ecosystem Development Group, Pune, With over 25 years of experience in US multinational semiconductor companies, he has worn multiple hats - Maintenance Engineer, Product Engineer, Test Engineer, Test Development Engineer, Hiring Manager, and Program Manager. His journey also includes leading career and intern fairs at Singapore Universities on behalf of Qualcomm, a prominent wireless communication company.

Exploring the vast realm of semiconductor careers, the event covered top sectors, opportunities, future scope, and essential skills. Mr. Milind Jape's expertise provided invaluable insights, making the event an enlightening experience for all attendees. The diverse facets of the semiconductor industry were unveiled, offering a glimpse into the exciting possibilities within this dynamic field.

A special thanks to Dr. Sangita Kurundkar Mam, our esteemed faculty, for trusting me with the role of Event Lead. Her support and encouragement played a pivotal role in making this initiative a success.

In conclusion, the event wasn't just a discussion on careers; it was a journey into the heart of the semiconductor industry guided by an industry expert. Eager to apply the gained knowledge to my academic and professional journey, I extend my gratitude to everyone who made this event a memorable and enriching experience!
