

Vishwakarma Institute of Technology

Vishwakarma Institute of Technology, Pune is a highly commendable private autonomous institute in the western region that occupies a place of pride amongst the premier technical institutes of India. The institute was established in the year 1983. It is financed and run by the Bansilal Ramnath Agarwal Charitable Trust, Pune and is affiliated to Savitribai Phule Pune University. Within two decades, the institute has marched towards the pinnacle of glory through its remarkable achievements and laurels in the field of engineering education. The institute is approved by AICTE, DTE and SPPU. It is NAAC accredited with A++ grade and with remarkable score of 3.53/4. The institute ranks in top ten at National level and first in Pune amongst private engineering institutes since last five years as per Times Engineering Survey. The institute has strong industry and academia liaison within India as well as abroad.

Department of Electronics Engg.

The Department of Electronics Engineering boasts of a strong infrastructure, qualified and dedicated faculty in various domains. The Department offers undergraduate course - B.Tech. (Electronics) and caters to the ever-increasing needs of technical brilliance in all allied areas of Electronics Engineering such as Robotics, Industrial IoT, VLSI, Automation, Microelectronics, Telecommunication, Control Systems and Power Electronics. The department has set up the Center of Excellence in Computer Vision. The department has pioneered the implementation of innovative ICT enabled teaching learning practices for advancement of knowledge transformation in the institute.

About the Program

The Department of Electronics Engineering of Vishwakarma Institute of Technology, Pune is organizing an AICTE sponsored Faculty Development Program (FDP) on **"Innovations in ICT Enabled Teaching Learning - A Step Towards Digital India"**. This FDP caters to today's needs of improved teaching-learning methodologies and changing the mindset of faculty and students towards digitization of teaching-learning process with the help of Information and Communication Technology (ICT). This FDP mainly focuses on variety of innovative practices for ICT-enabled teaching learning process. The sessions will be conducted by eminent speakers from **IITs, TCS, Persistent, HSBC, C-DAC, SPPU and other reputed organizations**. The sessions will be complimented with adequate hands-on sessions and field visits.

Program Content

- ICT enabled teaching learning process
- Tools for ICT enabled teaching learning
- MOOC development
- Flipped Classroom
- Use of MOOCs in teaching learning
- Designing a web page for teaching learning process
- Future of ICT in Education
- Hands on sessions
- Field visits

Schedule

Duration:- 25th Nov to 6th Dec 2019.

Last Date of registration and submitting the scanned copy of the registration form duly stamped and signed by the head of your institution - **25th October 2019.**

Intimation to participant about confirmation of registration - **1st November 2019.**

Registration Details

NO Registration Fee for the participants

The registration form is available at the link - <https://docs.google.com/document/d/1rark0nK6gp5BjkIREOrHGv2la8wWso6U5QEriXqVKOs/edit?usp=sharing>

scan QR code

Registration will be confirmed on first come first serve basis only after the submission of scanned copy of the duly signed and stamped registration form at the following mail ID- ictfdp@vit.edu

The organizing committee's decision will be final for selection of the participants

The travel expenditure will be reimbursed to the outstation participants up to the second sleeper class Railway fare, as applicable for the shortest route to reach Pune, subject to the submission of original travel tickets. Accommodation can be provided on prior request. Participants should remain present for all the sessions of the FDP for receiving the certificate.
