Event Report

Name of the Team: **DESH Students Association**

Name of the Event: FIRST YEAR INDUCTIONS

Category of the event (Clubs/EPEC organised/Other): Clubs Instalment of the said Annual event Date and time of 07 September 2025 – 30 September 2025 event Online Platform/ College Campus [Bibwewadi & Kondhwa] Venue: Event span 24 days (hours/days) Footfall/Total 4200 attendance Name and contact of **Team DESH Students Association** the key organiser(s) No. of people **Core Committee: 5** involved in the Secretaries: 25 organizing committee **Coordinators: 95** Objective of the event The objective of the First-Year Induction Program was to help newly admitted students feel comfortable in their new environment, build a sense of belonging, and develop meaningful relationships with peers, faculty, and respective foster buddies. It aimed to introduce them to the ethos of the institution, promote team spirit, and encourage overall well-being through physical, creative, and value-based activities. The program also included a comprehensive campus tour to familiarize students with academic departments,

FF 984

laboratories, and key facilities, enabling them to gain awareness of the institute's infrastructure and available resources.

The initiative focused on nurturing holistic growth by combining academic orientation with personal development. Through interactive sessions, creative engagement, and group activities, students were encouraged to develop confidence, self-awareness, and a sense of responsibility toward themselves and the community. Overall, the program helped new students transition into the college environment with clarity, enthusiasm, and a strong foundation for their academic journey.

Brief description of the said event

The First-Year Induction Program began with the <u>Introduction</u> and <u>Orientation</u>, where students, along with their parents, were welcomed to the institute. The session included academic registration, department visits, and an inspiring address by the Director. Students also met faculty members and were divided into groups to help them interact and adjust comfortably to their new environment.

An <u>online interaction with the Students Section</u> familiarized students with important administrative processes such as ERP registration, scholarships, freeships, and the MahaDBT portal, ensuring they understood the key procedures for academic and financial management.

Through the **Design Thinking** session, students were introduced to creative and analytical approaches to solving real-world engineering challenges, encouraging innovation and logical thinking. The **Build Your Resume** session guided students on creating impactful resumes that effectively represent their skills, strengths, and achievements, preparing them for future academic and professional pursuits.

The online session "Level Up Your Skills: Technical Activities for Competitive Edge", conducted by Prof. Dr. Premanand Ghadekar, introduced students to various technical events, clubs, and activities across the college that help build technical competence and innovation skills.

A set of sessions on Holistic Health, LinkedIn Profile Building, Orientation to Engineering, Stress Management, and Self Development focused on nurturing personal growth, emotional well-being, and career readiness among students, ensuring their development beyond academics.

In the session "Beyond the Classroom: Your Guide to Campus Life," students were introduced to the DESH Student Association,

FF 984

which conducts numerous extracurricular and leadership activities, helping them engage actively in campus life. Similarly, "<u>Your Journey of Compassion: Engage in Social Activities</u>" introduced the **Social Welfare and Development Committee**, inspiring students to participate in community service and social development initiatives.

The <u>Campus Tour</u>, led by the Foster Buddies, allowed students to explore the college campus, including academic departments, laboratories, the library, and canteens. This helped them become familiar with the facilities and navigate the campus with ease. The <u>Director's Address</u> served as a motivational interaction where the Director shared the institute's vision, mission, and expectations, setting the tone for their journey ahead.

During <u>Familiarization with DESH</u>, students were guided through their timetable, academic calendar, institute rules, and the use of VOLP, ensuring clarity about the academic framework. The <u>Interaction with the Librarian</u> introduced them to library services, online resources, and research support facilities available to enhance their academic learning.

In the <u>Creative Arts</u> session, organized by the Cultural Committee, students explored their artistic side through music, painting, dance, and other art forms, fostering self-expression and creativity. The <u>Proficiency Module</u> helped them identify and strengthen essential skills such as English communication, computer proficiency, and LinkedIn profile setup, including diagnostic assessments for self-improvement.

The <u>Universal Human Values (UHV)</u> sessions involved small-group discussions led by faculty mentors, where students reflected on the importance of ethics, empathy, and personal values through interactive activities. The <u>Vishwa Club Carnival: Explore, Express, Excel</u> introduced students to various student clubs, offering platforms for learning, creativity, and social connection beyond academics.

Finally, a session on <u>Creation of ABC ID</u> guided students through the process of registering for their Academic Bank of Credits ID, emphasizing its role in managing and tracking academic credits throughout their education.

In addition to the academic and creative sessions, students also participated in **offline Sports Activities** that promoted teamwork, fitness, and enthusiasm. Various **team sports** such as football, volleyball, basketball, frisbee, and tug of war were organized, along with sessions on **aerobics and yoga**. These activities encouraged a

	healthy balance between mind and body, fostering collaboration, sportsmanship, and overall well-being among the freshers. Overall, the induction program successfully blended academic, personal, and social learning experiences, helping first-year students transition smoothly into college life with confidence, awareness, and enthusiasm.
Key event outcomes	 Students developed a sense of belonging and confidence, feeling well-oriented with their peers, faculty, and the overall campus environment. The induction helped build strong interpersonal, communication, and teamwork skills through group discussions, creative arts, and sports activities. Students demonstrated improved awareness of academic systems and institutional procedures, ensuring smoother participation in their academic journey. The sessions enhanced self-awareness, emotional intelligence, and ethical understanding, aligning with the institute's values-based education approach. Exposure to technical clubs, innovation activities, and resume-building sessions encouraged career readiness and skill development from the very first year. The inclusion of fitness, yoga, and holistic well-being sessions promoted a balanced lifestyle focused on both mental and physical health. Engagement in social welfare and community-oriented discussions fostered compassion, civic sense, and social responsibility. Overall, the induction program created a well-rounded foundation that integrated academic preparedness, value-based learning, and personal growth.

Program Outcomes Section

Program Outcomes Indirectly Attained (Please enter the rating in the second column)	Category (Rating) Not Applicable (0) Partially Agree (1) Agree (2) Strongly Agree (3)
Engineering knowledge Has your ability to apply engineering knowledge to find solutions to engineering problems improved?	0
Problem analysis: Has your ability to i dentify, formulate, and analyse engineering problems improved?	0
Design/development of solutions: Has your ability improved to design and develop solutions to solve real world problems?	1
Modern tool usage: Whether your ability to select and apply modern engineering and IT tools improved?	1
The engineer and society: Is it possible for you to better apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues?	1
Environment and sustainability: Can you better understand the impact of societal and environmental issues and need for sustainable development?	1
Ethics: Is your professional ethics improved due to participation in the event/activities?	3
Individual and team work: Has your ability to function effectively as an individual, and as a member or leader in diverse teams improved?	3
Communication: Has your ability to communicate effectively (comprehend and write effective reports, design documentation, make effective presentations, and give and receive clear instructions) improved?	3
Project management and finance: Are the project management skills and handling the finance for the event/activity improved?	3

FF 984

Life-long learning: Has your ability to engage in independent and life-long learning in the context of technological change improved?	3
Entrepreneurship Development: Has your ability to generate awareness and promote entrepreneurship amongst students improved?	1
