

Author submission guidelines

1. Authors are invited to submit original and unpublished research works on above and other topics related to ICIP.
2. Please, clearly indicate the corresponding author and include up to 6 keywords and an abstract of no more than 400 words.
3. Papers must be formatted according to IEEE format only with a page limit of 4-6 pages.
4. Please click the following link to get IEEE template:
<https://www.ieee.org/conferences/publishing/templates.html>
5. Create and format your manuscript (s) by following IEEE guidelines:
<http://ieeeshutpages.s3-website-us-west-2.amazonaws.com/>
6. Submitted research papers should not be published before or must not be overlapped with any other submissions in the form of parallel submission to any other conferences, journals, posters etc.
7. Each submitted paper will pass through the minimum of two reviews.
8. Papers will be selected based on the originality, novelty, relevance, contributions, technical clarity, and presentation.
9. Submission implies the willingness of at least one of the authors to register and present the paper, if accepted; authors of accepted papers must guarantee that their papers will be presented at the conference.
10. Only those papers presented at the conference will get participation certificates
11. After registration of the paper authors need to fill form clearly indicating the participation in online or offline mode.

Only accepted, registered and presented papers will be submitted to IEEE for possible inclusion in IEEE Xplore
