Participation in such The summit brought together industry a high-impact national forum reflects experts, researchers, and academic leaders, VIT's commitment to staying at the providing a platform for knowledge forefront of technological advancement exchange and collaboration on emerging AI and preparing students to solve complex technologies and their real-world global challenges using intelligent systems.

GENERAL MANOJ MUKUND NARAVANE INSPIRES STUDENTS AT VISHWAONCLAVE 2026

At Vishwaonclave Ritambhara 2026, General Manoj Mukund Naravane, former Chief of Army Staff, delivered a powerful address on leadership, discipline, and national responsibility. Drawing from his journey in the Indian Army, he emphasized the importance of resilience, rational decision-making, and staying committed to the greater good despite external pressures. His insights gave students a rare perspective on leadership beyond textbooks.

He also highlighted modern security challenges, including misinformation and internal divisions, urging students to uphold unity and integrity. Speaking on evolving warfare, defence reforms, and his transition into academics, he reinforced that service to the nation extends beyond uniform. He concluded with a clear message: true leadership is defined by balance, integrity, and purpose.

VISION & MISSION
