	It must be highlighted that students were strictly asked to not use any Generative AI Or LLM's to generate their summaries thus using their own comprehension abilities and exercising their own mind. Out of the 13 participants top 3 participants were chosen for their oratorical and analysis skills and were declared as winners. Moreover many of their participants made valuable connections over their love for reading and books and new friendships' were forged. The event concluded with remarks from Club Advisor Ms. Pritam Maral and Club Heads Ms. Yuganti Hatwar and Ms. Shravani Nigade. They addressed the vital importance of physical reading and cognitive endurance in an increasingly tech-dependent landscape. Following their encouragement for future participation, the session closed with a formal vote of thanks.
