ABOUT TRUST

Bansilal Ramnath Agarwal Charitable Trust (BRAC), Pune was established on the 16th of June 1975 under Bombay Trust Act of 1950. The Trust undertakes educational, religious and social activities. "Vishwakarma" as per Indian mythology, was an architect-engineer of the Almighty God. The Trust has adopted this name with a vision to develop engineers who can take up challenges in technical field with original work and creativity. The Trust has adopted this name "Vishwakarma" for all educational institutes.

ABOUT VISHWAKARMA GROUP

With its pioneering and entrepreneurial spirit has dedicated its group entities around the core idea that people will succeed if given an opportunity. It has a strong focus on the socio-economic upliftment of the communities they operate in. In 1983 started by offering engineering courses and then opened separate colleges and schools for information technology, management, the marine industry, creativity & design, international schooling, arts, science and commerce, press and publications, foundry works and business consulting for SMEs & startups. The group operates in areas that are the building blocks that drive economic growth and enjoy a leadership position in all endeavors. The group's leadership style is to empower the individual institutions so that they enjoy the best of entrepreneurial independence whilst leveraging the group synergies. As they move with the new and vibrant energy of modern India, they embrace new ways of thinking with optimism for a better world tomorrow.

- » Learning Beyond Time and Space, Industry and Future Ready Students
- » Outcome Based Education Framework
- » Enshrined in 17 Sustainable Development Goals of UN
- » NEP Compliant Structure and Curriculum
- » Experiential, Participative & Peer Learning

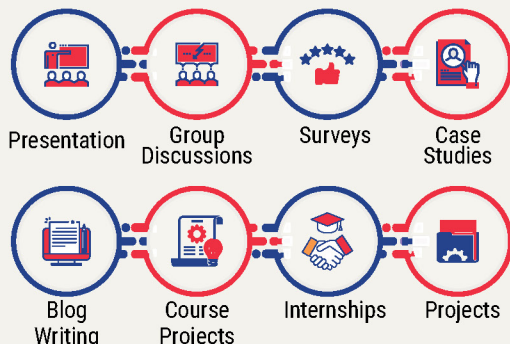

Award winning Best Practices

Continuous Engagement

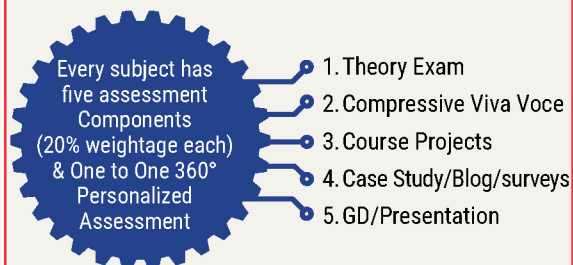

Teaching Learning is Completely Personalised

Engagement for every course Apart from Lectures, Tutorials and Labs

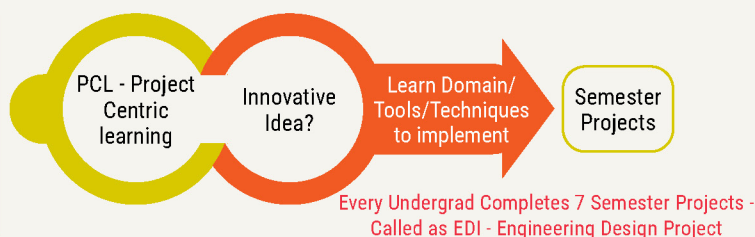

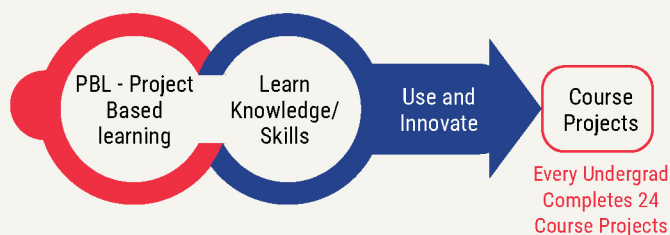

360° Assessment on Top Skills

Grades for Project are based on Quality of Publication and Patents along with Demo and Viva

Empowering Futures Through Experiential Learning and Research Eco System

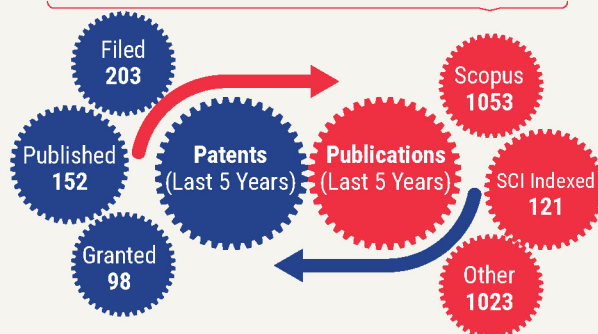

Engineering Design and Innovation

• Key Features:

- » 50% credits earned through Projects/Practical Learning
- » Course Project for every Course
- » Each Sem has Sem long Project
- » Industry Sponsored & Socially Relevant Projects
- » Sem long to one-year full time Industry Internship
- » Research Internship, International Internship
- » Research Extension Activities & Community services
- » Well defined Research Policies, Activities and Funding
- » IPR Cells, Innovation cell and Start-up Cell
- » Seed money for Research Projects
- » Funding for Patent filing and Paper publications

Research Outcomes from UG Students

12 Center of Excellence worth – 2.02 Cr

18 Industry Sponsored Labs worth 2.14 Cr

9 Research labs open for 24X7

Research Grant received for 19 Projects worth - 4.76 Cr

Career Counselling & Guidance - Your Career Compass, Our Expert Guidance

Mentor Mentee Scheme

Purpose	Private Jobs
